

Kensington Place at Redwood City and Bloomingdale's invite you to...

Cure. Care. Prevent.

A brain health discussion and Alzheimer's education summit

KENSINGTON PLACE
A Memory Care Community
REDWOOD CITY

bloomingdale's

TUESDAY, MAY 21st • 5:30 – 6:30pm

Bloomingdale's Department Store
1 Stanford Shopping Center, Palo Alto, CA 94304

Please join as we learn more about strides in memory impairment research and the significance of diet, care and genetics in terms of brain health. Dr. Frank M. Longo, Chair, Department of Neurology and Neurological Sciences, will moderate a team of four leading neurologists from Stanford Medicine — Department of Neurology. Bring your questions! Space is limited. Please RSVP to info@kensingtonplaceredwoodcity.com or call **650-363-9200**.

Frank M. Longo, MD, PhD

Charity Shopping Day*

Mention this event to the Bloomingdale's associate at checkout to donate 10% of your purchase to Stanford Medicine — Department of Neurology.

*Valid only for purchases made 5/21/19

**FEATURING A PERFORMANCE
BY VOICES OF KENSINGTON**

ABOUT YOUR CO-HOST: Kensington Place is a dedicated memory care community delivering exceptional care to individuals suffering from Alzheimer's and other dementia. By partnering with leaders in Alzheimer's research like Stanford Neurology as well as social enterprises like Rivet Revolution, we strive to help CURE, CARE and PREVENT.
